2019 U3A Network Queensland Conference in Bundaberg

Bev Hault, President of U3A Bundaberg, has reported good progress on plans for the 2019 conference. A draft program has been devised. The program includes interesting pre-conference activities. I hope that you will support the conference in Bundaberg – even make it part of a longer stay as there is lots to see in the local environs and the weather in May is bound to be glorious. All members are welcome to attend.
